

ELDORADO OPEN CHARTER SPECIAL OFFER FOR UNITED ANGLERS CHAPTER & AFFILIATE CLUBS

March 5, 2008 – Long Beach, CA. Did you ever want to go fishing on a big sport fishing boat like the roomy Eldorado, but could not get enough participation to make a charter happen? Have you encountered the problem of members committing to go fishing, only to have them back out at the last minute leaving your club with a loss because of the boat charter contract provisions?

The Eldorado is offering a special arrangement for United Anglers of Southern California chapter and affiliate clubs to go overnight fishing departing from Long Beach Sportfishing without the hassles of contracts, deposits, galley minimums, and trip shortfalls. Schedule your club trip as an open charter. It works like this:

- Pick your fishing date on any Sunday through Friday.
- Collect \$125 per angler which happens to be the current "limited load" overnight island freelance ticket price.
- If you can get 14 members to go, then the Eldorado will leave the dock.
- If your organization can get 21 anglers, then this trip will become a private trip like a private charter.
- Your organization pays \$125 for every angler on the boat.

Otherwise, about a week before trip departure, the Eldorado will be put online at Long Beach Sportfishing and book to a maximum of 33 anglers. The landing rate may be slightly higher than your club rate. The trip may sell out or it may go with only 14 anglers.

There will be no contracts, no galley minimums, no money loss to the club! The only requirement is 100-percent payment for those fishermen one week prior to the departure. The charter master gets to board for free. Other rules and restrictions apply. You might even pick up new club members or network with some good people to go fishing with you in the future.

There will be a similar arrangement for trips departing from Point Loma Sportfishing in San Diego perfect for a summer tuna adventure. Pricing will be the similar to the "limited load" ticket price (currently \$225 per person) for overnight outer banks tuna trips from Point Loma Sportfishing fare rates. Special rules and restrictions apply.
